Syd Cohen Gets Bid From Bisbee In Arizona Loop

Sydney Cohen, El Paso baseball star, has received an attractive offer to play with Bisbee in the Arizona State league. He indicated today that he might accept the offer and join the Bisbee team in two or three weeks.

Roy Johnson, manager of the Bisbee team, managed Ft. Bayard in the Copper league in 1926 and 1927. Syd played outfield for Ft. Bayard in 1926 and he and Johnson became close friends.

It was thru his association with Jimmy O'Connell, outfielder for the Ft. Bayard team, that Syd got a contract with the San Francisco Seals on the Pacific coast league this spring.

Cohen has been in El Paso for two weeks resting from an attack of influenza which spoiled his chances of making good with the Seals. He has gained several pounds since he returned to El Paso.
