

Syd Cohen Goes to Wichita Falls Team

Sydney Cohen, brilliant outfielder for the El Paso club, probably will sign a contract with the Wichita Falls team of the Texas league to-day. He left El Paso Sunday morning for the 'Texas league town.

Cohen went to Wichita Falls at the recommendation of John McGraw, manager of the New York Giants. He turned down a recent offer to go to Houston in the same league and last winter had offers to go to other Texas league teams.
