

Sid Cohen Leaves For West Coast; Plays With Seals

Sid Cohen, El Paso sandlot product, left at noon today for San Francisco, where he will play with the San Francisco Seals in the Coast league this year. Sid, who has made a good name for himself here as a first baseman, will start with the coast team as a pitcher.

He was a powerful pitcher several years ago, but quit twirling when requested to do so by his brother, Andy, who will play with the New York Giants this year.

Sid, who is but a youngster, is rated a good chance to get a regular berth on the Seal club.
