## SID COHEN TO GIANTS

Reports from Tuscaloosa are to the effect that Sidney Cohen, Wallace Wade's sophomore first baseman, has signed with the New York Giants and is working out with that club. Andy Cohen, Sidney's brother, is already the property of the Giants and is setting a hot pace for batters with Buffalo, where he is out on option.

If Cohen is to be lost, Alabama will be without an infield next year. That is, if Wallace Wade doesn't develop a new one, which he will come as near doing as anybody. Jack Hayes, who was also one of Wade's sophomore sensations, has already signed with Birmingham, while Tommy Sewell rounded out his career as a collegian this Spring. Taking three stars like the aforementioned is like taking the mainspring out of a watch.

Sid Cohen was rather weak with the willow, but shone defensively. He also showed some ability as a pitcher, having worked to advantage on several occasions.
