Cohen Doesn't Care About Cash, Says Manager

SID COHEN doesn't care anything about money, and an interesting story comes out of Fort Bayard about the El Paso boy.

"Cohen joined our club without having any idea about how much he would receive for his services," said Manager Roy Johnson. "I wired him to come and he came. He ojined us in Bisbee. Before the game started I called him aside and asked how much he expected in the way of salary. 'Let's not worry about that until we get back to Fort Bayard,' said Cohen.

"He refused to discuss the salary matter at any time with me. I don't believe money enters into Sid's thoughts. He's an athlete at heart and the easiest man to handle that I have ever come in contact with."
